# 2016 EAA CONVENTION FORUMS on 30<sup>th</sup> APRIL

Two Parallel Sessions

## FORUMS : VENUE 1

TIME	TOPIC	PRESENTER
09h00-09h10	Welcome and official opening, including a safety briefing for all pilots who intend flying at FAMO during the EAA 2016 Convention.	Paul Lastrucci - EAA of SA National President
09h10-09h30	Safety Briefing - This briefing is for the safety personnel operating for our welfare at FAMO. All are required to attend a well planned in-depth briefing.	Mike Visagie - EAA National Vice President.
10h00-10h45	AP Workshop - Latest developments and EAA involvement in regulation and other CAA activities.	Paul Lastrucci - EAA of SA National President.
11h00-12h00	Regulation Update - We are constantly inundated with regulations. Selected rules and regulations pertaining to our recreational aviation will be explained by one of the most knowledgeable CAA official who heads RAASA.	Neil de Lange - CEO of the Recreational Aviation Administration SA. RAASA is a very important division of the Civil Aviation Authority
12h10-13h00	Life as a Test Pilot - He started his flying career in 1981 in the SAAF and joined Denel Aviation in 1997 as a Test Pilot flying the Rooivalk. Petri holds a commercial licence, grade II instructors, and class 1 test pilot rating on both fixed wing aeroplanes and helicopters, and has been involved in flying, training and testing of more than 70 types of aircraft.	Petri van Zyl - An Experimental Test Pilot and Principal and Chief Test Pilot of the Test Flying Academy of South Africa.
13h00-13h45	Impact of Drones - These wonderful machines will affect our lives in many ways, both good and bad. We are fortunate to have the presenter who has been involved from the outset in designing regulations so the we can all benefit and mitigate safety concerns in their operation.	Ivan Louw - Well known ATC and UAV Authority
14h00-14h30	Practical Advice on Maintaining your Medical - We all need to know how to maintain our medical fitness standards the correct way to avoid being stressed by periodic examinations that might curtail our flying.	Dr Mike Brown (GP providing palliative care to terminally ill patients) Pilot and vintage and classic aircraft owner, EAA Chapter 322 Chairman and regular MC at the EAA Flying Legends Talk Shows

# 2016 EAA CONVENTION FORUMS on 30<sup>th</sup> APRIL

Two Parallel Sessions

## FORUMS : VENUE 2
