

# 2019 Millennial Membership Offer

*When you join EAA 322, you're part of a community of aviation enthusiasts that promotes and supports recreational flying, and you're one of more than 223,000 members worldwide who share a common passion for all things aviation. You're now part of the most dynamic aviation organization in the world! No matter what aviation means to you, you'll find it here at EAA.*

- *Just getting started in aviation? EAA membership gives you a clear pathway to participation.*
- *Interested in building and restoring? The EAA knowledge network will help make your project a success and save you time, money, and hassles.*
- *Are you already a pilot, or planning to get your pilot's license? EAA helps you get in the air, stay in the air, and have a great time while you're at it!*
- *Have you got planes on the brain? It's a condition we see a lot around our EAA Chapter 322 community. It's highly contagious, and there is no known cure ! Thankfully, at EAA Chapter 322 we've got lots of events and activities to keep you satisfied!*

*EAA Chapter 322 is once again a fully-fledged and recognized Chapter of the international EAA organization. Your EAA Chapter 322 membership makes aviation enjoyment and participation easier and more rewarding. I hope that you will be able to take part in the many activities that are arranged for our members, and that you will enjoy these benefits.*

*EAA's mission is to grow participation in aviation. We do that by inspiring new participants by inviting them through our Young Eagles programme to experience flight, nurturing any interest in aviation, and supporting participation in aviation activities. In addition, we work to protect your freedom to fly – providing knowledge, information, and resources, providing the opportunity to share diverse interests, and promoting aviation events and activities.*

*Regular monthly EAA Chapter 322 meetings take place on the first Wednesday of every month at the Dickie Fritz MOTH Hall in Dowerglen, Edenvale, starting at 19:00. The pub and kitchen are in operation from 18:00 for refreshments and light meals.*

*Visitors are always made to feel welcome to experience why EAA Chapter 322 is the most active Chapter in South Africa, and to take part in the robust hangar talk and camaraderie that is a feature of our meetings – so feel free to bring your friends along, maybe they'll also become members. Attached to this letter is a .pdf file with your membership card which you should print out and laminate. Keep it in your wallet, because as a paid-up member you get a discount at the Auditorium when attending the EAA Flying Legends Talk Shows.*

*If you've also joined Aero Club, a separate proof of membership should have been provided to you. If you don't have it, contact [office@aeroclub.org.za](mailto:office@aeroclub.org.za) or call 011 082 1100.*

*And if you haven't joined the international EAA, I would urge you to consider doing so. Visit [www.eaa.org](http://www.eaa.org) for more information.*

*It's the airplanes that bring us together. It's the people that keep us coming back. At the heart of it all is what we refer to as The Spirit of Aviation, and that spirit is present in everything we do. EAA is the most vibrant aviation organization in the world, and Chapter 322 is the most active Chapter in South Africa – we're glad to have you with us!*

**Karl Jensen**  
Chairman, EAA Chapter 322, Johannesburg
